# Instructions for Completing Common Charter School Application

---

These instructions will assist you in completing the Common Charter School Application. The Common Charter School Application must be delivered to the desired charter school no later than April 1<sup>st</sup>, 2010. The application allows student named in the **Student Information** section to participate in the designated charter school's admissions lottery. Please keep in mind that a separate application must be completed for every New York City charter school to which the applicant wished to apply.

1. Write the Name, and address of the charter school to which you are applying.
  - a. Reminder: the Common Charter School Applications must be turned in no later than **April 1<sup>st</sup>, 2010**. 2. **Student information**
  - a. Enter the student's last name, followed by their first name and middle initial.

  - d. List the grade the student will be entering for the 2010/2011 school year, the school the student is currently attending, and the community school district where the student currently lives.
    - i. If you are unaware of the student's community school district, you may find the community school district by entering the student's address at this website:  
(<http://gis.nyc.gov/dcp/at/fl.jsp>).
3. **Parent/Guardian Information:** This information will be used to contact you regarding questions that the school may have AND to provide you with lottery information including the results of the lottery drawing.

(**Note: Different schools have different preferences. Please contact the school directly to find out what preferences are used by the school to which you are applying. Failure to do so before submitting this application may potentially enter the student into the charter school lottery without an enrollment preference that could increase their likelihood of admission.**)
6. **Agreement**

Print your name, sign your name, and enter today's date if you (1) agree that the information entered on the Common Charter School Application is correct to the best of your knowledge and (2) understand that submitting this application does not guarantee admission to the charter school mentioned above.
