

THE BRONX PARENT CENTER WITHOUT WALLS

In Collaboration with The Mott Haven Community Partnership Project (CPP)  
Presents

# Understanding Your Child's New IEP

Learn about the new IEP forms and notices required for all school districts by the NYS Education Department starting this year.

Find out more about your role in the IEP process – establishing individual goals for long and short term planning, getting timely progress reports, and new notice requirements that give parents more information in advance
