The United States Army traces its history to ten companies of riflemen that answered the call for a Continental Army and enlisted on June 14, 1775. Throughout its history, members of the United States Army have served our country at home and abroad, in defense of our nation and our allies around the world. This June 14th, the US ARMY will host special celebrations in each of New York City's five boroughs. Join us as we salute our soldiers & cut a cake in commemoration of this special anniversary!
