Introducing Metro-North train service to the Morris Park area

In cooperation with the Bronx Borough President's Office, MTA Metro-North Railroad will provide an update on its Penn Station Access environmental review, including a proposed station that would serve the Morris Park area and provide connections to Penn Station, Westchester & Connecticut.

NYC Department of City Planning will also provide an update on its Sustainable Communities study related to the proposed Morris Park station area.

Monday, September 10, 2012

6:30 PM Open House followed by Presentation at 7:00 PM

LeFrak Auditorium, Price Center/Block Pavilion
Albert Einstein College of Medicine of Yeshiva University
1300 Morris Park Avenue *(at intersection of Eastchester Road)*
