# Code/Bronx: How to Start Your School's Coding Program

Tuesday, December 8th, 4:30pm - 6:00pm

Boricua College, 890 Washington Avenue, 4th Floor, Bronx, NY

---

Bronx Borough President Ruben Diaz Jr. and Code/Interactive (C/I) invite you to Boricua College during Computer Science Education Week to learn:

- Why are coding & computer science important for my students?
- What type of program is appropriate for my school?
- How can I sign my teachers up for professional development?
- Are there special opportunities for my students and teachers?
- What kind of technology do I need to run a coding program?

**ACT NOW:** Contact [programs@weare.ci](mailto:programs@weare.ci) with questions or to sign teachers up for professional development for coding and computer science.

---

## Start with an Hour of Code:

December 7 - 11, 2015 at Your School

Last year, over 60 million students tried computer science using the Hour of Code, a one-hour introduction designed to demystify code and show that anybody can learn the basics. Check out this easy-to-use lesson today!

**ACT NOW:** Visit [www.hourofcode.com](http://www.hourofcode.com) to find out more and sign up your school or e-mail [programs@weare.ci](mailto:programs@weare.ci) for help running an Hour of Code.
