BRONX BOROUGH PRESIDENT VANESSA L. GIBSON

MEMORANDUM

To: Eric Adams
Mayor, City of New York

Adrienne Adams
Speaker of the New York City Council

From: Vanessa L. Gibson
Bronx Borough President

Date: July 1, 2023

Re: 2022 Community Board Report

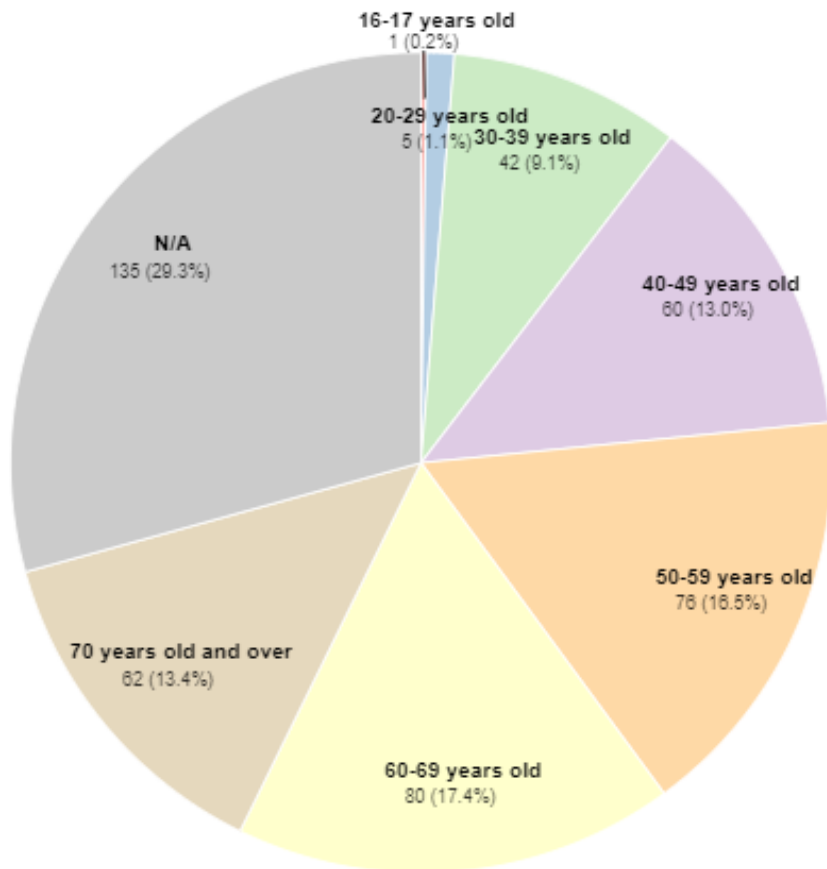

Pursuant to Section 82 subdivision 17 of the New York City Charter, please find enclosed the 2021 Community Board Report.

If you have any questions, please contact Ciara Gannon, Director of Community Boards at 718-590-6005 or cgannon@bronxbp.nyc.gov.

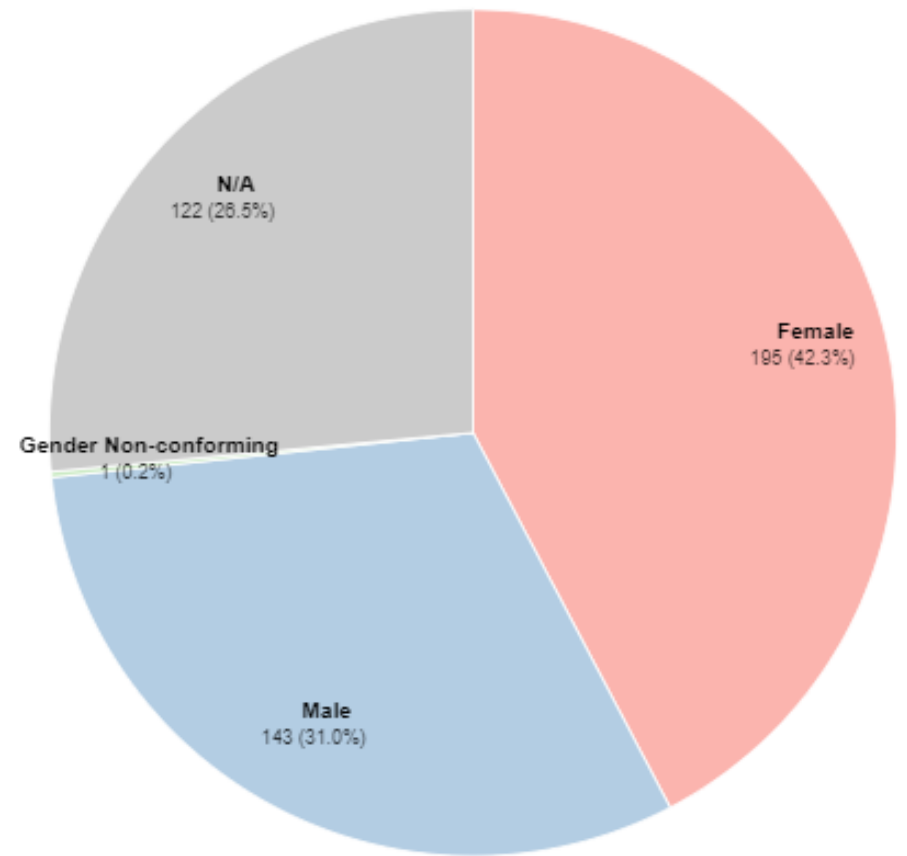

Pursuant to the New York City Charter §82 (17)(a), the Office of the Bronx Borough President (BxBPO) submits the following detailing the demographic information and the application and selection processes for the appointment of community board members for the 2022-24 term. Bronx Borough President, Vanessa L. Gibson took office in January 2021 committed to appointing a diverse and representative board in every community district. This goes beyond mere demographic diversity but also includes housing diversity (renters, public housing residents, homeowners, etc.) It is important that the community boards accurately reflect the concerns and opinions of the whole communities that they represent, including those historically disengaged from government. This includes increasing youth participation and using a data-driven approach to ensure community board membership accurately reflects the demographics of the districts they represent. The Office of the Bronx Borough President began the 2022 application process in January with a deadline of March 4, 2022. The office works diligently to make the application available as widely as possible, sending it out to community members through various channels, posting it on our website in English and Spanish, and making physical copies available in the office. The Community Board Unit distributes a flyer with application information to all Community Boards, board members, and the BxBPO's email distribution list, which includes but is not limited to: Borough residents, CBOs, veteran groups, cultural groups, religious organizations, etc. The Borough President also makes it a priority to do outreach at local high schools and higher education institutions. Additionally,, the Borough President makes a public announcement on News 12's monthly " Ask the Borough President" segment. Information on applying to Community boards was also publicized at monthly Community Board Meetings as well as Borough Board/ Borough Service Cabinet Meetings. Word of mouth is also an important and effective measure the office takes in application outreach.

Once an individual applies, the applicant has an interview with a member of the Borough President's community board team. The City Council members also make recommendations for appointment, and the Council Members meet with the Deputy Borough President to discuss their recommendations. Prior to making its 2022 appointments, the BxBPO reviewed the current demographic information for each board's membership. The Borough President will make appointments to the community boards based on the qualifications, experience, and profession of the applicants while taking into account characteristics to ensure diversity on the board. These characteristics include race, age, gender, sexual orientation, veteran status, disability, union membership, housing tenure, neighborhood residence, and professional background. The Community Boards should represent the full richness of the community, so it is critical to ensure that all community members see themselves represented on the boards. For members seeking reappointment, the Borough President will also consider attendance and performance over the past term. For the term beginning in 2022, the BBPO received five hundred applications, including new community board appointments and reappointments. The Borough President appointed sixty-five first-time appointments. In this round of appointments, there were eighty-seven remaining vacancies across the Bronx boards. This is due to two factors: first, the number of applications varied widely from board to board. Please Note that the number of vacancies is constantly changing because membership is dynamic due to resignations and removals. Attached to this report is a list of all Bronx community board members as of the end of 2022. Bronx community board members are appointed for staggered two-year terms that begin annually on April 1. The information attached to this report includes collected information, presented in an aggregated and anonymized manner, for all members collectively and by board. "NA" represents members who either did not fill out the demographics survey or selected "prefer not to answer."
