BRONX BOROUGH PRESIDENT VANESSA L. GIBSON

MEMORANDUM

To: Eric Adams
Mayor, City of New York

Adrienne Adams
Speaker of the New York City Council

From: Vanessa L. Gibson
Bronx Borough President

Date: July 1, 2024

Re: 2023 Community Board Report

Pursuant to Section 82 subdivision 17 of the New York City Charter, please find enclosed the 2023 Community Board Report.

If you have any questions, please contact Ciara Gannon, Director of Community Boards at 718-590-6005 or cgannon@bronxbp.nyc.gov.

Pursuant to the New York City Charter §82 (17)(a), the Office of the Bronx Borough President (BxBPO) submits the following detailing the demographic information and the application and selection processes for the appointment of community board members for the 2023-24 term. Bronx Borough President, Vanessa L. Gibson took office in January 2021 committed to appointing a diverse and representative board in every community district. This goes beyond mere demographic diversity but also includes housing diversity (renters, public housing residents, homeowners, etc.) It is important that the community boards accurately reflect the concerns and sentiments of the entire district that they represent, including those historically disengaged from civic engagement. This includes increasing youth participation and using a data-driven approach to ensure community board membership accurately reflects the demographics of the districts they represent. The Office of the Bronx Borough President began the 2023 application process in January with a deadline of March 15, 2023. The deadline to apply to one of the Bronx Community Boards was extended in 2023.

The Borough President's office works diligently to make the application available as widely as possible, making it available through several channels. The application details are posted on the Borough President's website in English and Spanish. The Community Board Unit distributes a flyer with application information to all Community Boards, board members, BIDs, and to the Borough President's Advisory Councils including but not limited to The African Advisory Council, Bronx Clergy Task Force, Disability Advisory Council, Domestic and Gender-based Violence Advisory Council, HIV Roundtable, LGBT Policy Task Force, Public Housing Advisory Council and The Veteran Advisory Council. The application was distributed via the BxBPO's weekly newsletter, which is sent to Borough residents, CBOs, veteran groups, cultural groups, religious organizations, etc. The Borough President, Community Board Unit and Education Unit also makes it a priority to do outreach at local high schools and higher education institutions through school visits and outreach through student government and through the Borough's Community Education Councils. Additionally, the Borough President makes several public announcements on News 12's monthly "Ask the Borough President" segment. Information on applying to Community boards was also shared through local media channels in both English and Spanish. The application information was also publicized at monthly Community Board Meetings as well as Borough Board/Borough Service Cabinet Meetings. Word of mouth is also an important and effective measure the office takes in application outreach.

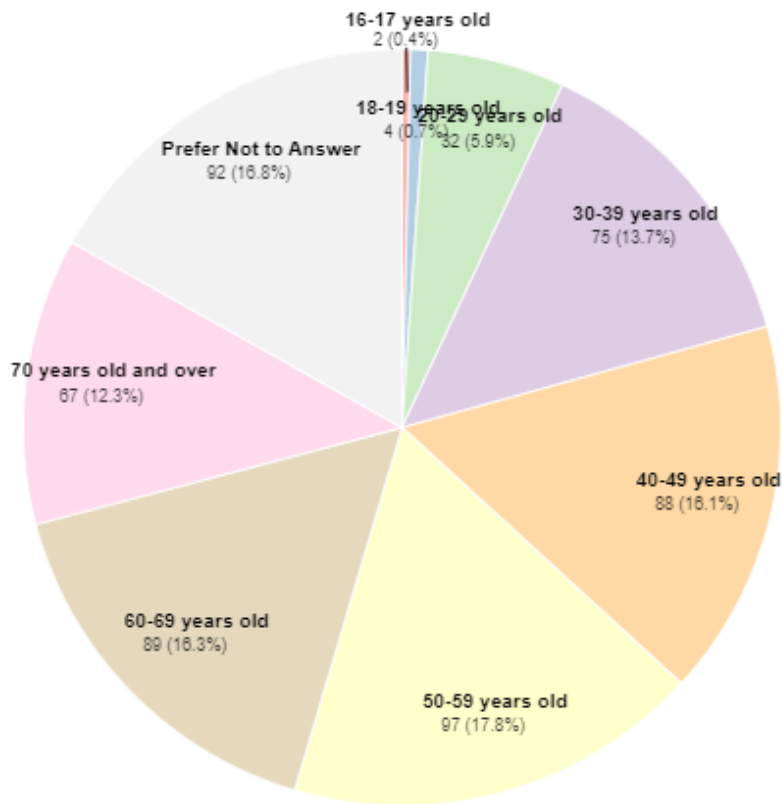

Once an individual applies, the applicant has an interview with a member of the Borough President's community board team. The Director of Community Boards meets with the Chair & District Manager of each board to go over the reappointment applicants and new applicants. The City Council members also make recommendations for appointment. Prior to making its 2023 appointments, the BxBPO reviewed the current demographic information for each board's membership. The Borough President will make appointments to the community boards based on the qualifications, experience, and profession of the applicants while taking into account Current demographics to ensure diversity on the board. These characteristics include race, age, gender, sexual orientation, veteran status, disability, union membership, housing tenure, neighborhood residence, and professional background. The Community Boards should represent the full richness of the community, so it is critical to ensure that all residents see themselves represented on the boards. For members seeking reappointment, the Borough President will also consider attendance and performance over the past term. For the term beginning in 2023, the BBPO received five hundred and fifty applications, including new community board appointments and reappointments.

The Borough President appointed one hundred and seventy four new Community Board Members. This is due to two factors, for instance, the number of applications varied widely from board to board. It is important that the number of vacancies is constantly changing because membership is dynamic due to resignations and removals.

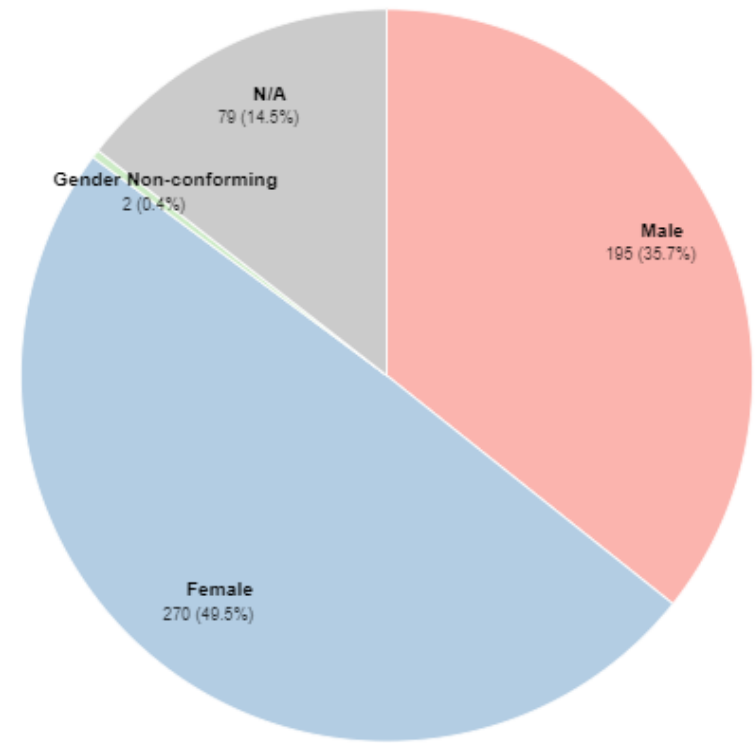

Attached to this report is a list of all Bronx community board members as of December 2023. Bronx Community Board Members are appointed for one or two-year terms that begin annually on April 1.

The information attached to this report includes collected information, presented in an aggregated and anonymized manner, for all members collectively and by board. "NA" represents members who selected "prefer not to answer. The BxBPO cannot legally require members or applicants to fill out demographic information.
