Dear Messrs. Beckham Jr. & Miller:

First, I would like to thank you for your recent visit to the great borough of The Bronx. I think it is wonderful that Mr. Beckham, who has been a great representative for the City of New York and the New York Giants organization, is showing his friends from out of town, like Mr. Miller, that there is more to New York City than Manhattan. I appreciate that you both took time out of your very busy schedules to pay us a visit.

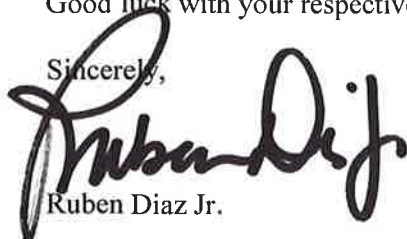

However, you could have picked a better place. The Sin City strip club and cabaret has a long history as a nuisance to our borough, and as a poor corporate citizen to the people of The Bronx. In August, I sent a letter to the New York State Liquor Authority regarding just how "neighborly" Sin City has been over the years, and calling for the club to have its liquor license rescinded. A copy is enclosed.

In addition, please find enclosed a copy of the 2016 Bronx Visitors Guide. A publication of The Bronx Tourism Council, this visitors guide provides a comprehensive list of the many amazing tourist attractions my borough has to offer. We have first-rate cultural attractions, internationally-recognized institutions such as The Bronx Zoo and the New York Botanical Garden, and some of the best culinary and nightlife options the region has to offer.

I would love to show both of you gentlemen there is more to The Bronx than establishments such as Sin City, where you risk losing more than your valuables. If you would like to see what The Bronx is really about, and visit numerous establishments that our residents are actually proud of, I hope you will take me up on this offer.

Good luck with your respective seasons.

Sincerely,

  
Ruben Diaz Jr.

The Bronx's  
#1 Giants fan!
