Borough President Ruben Diaz Jr.'s Application and Appointment Process for Community Board Members

The Bronx Borough President's Office begins the community board application process by making the applications available in the fall of each year. The application is available on the Borough President's website, as well as emailed to all of the Bronx Community Boards and elected officials. Each Unit Director is sent the information and sends it to their respective contact lists. Our Communications Department sends a press release to all of the Borough's local newspapers, which includes a number of ethnic newspapers. They also place the information on all of the Borough President's social media accounts.

Our office emails a flier with the information on how to obtain an application to all current community board members, uses our offices e-mail lists to send out the information to residents, CBO's, religious, veterans, immigrant organizations and other interested parties. We include the information in the Borough President's email newsletter, monthly community board report and our community liaisons make announcements at community meetings throughout the borough. We also make fliers available for posting throughout the borough.

In addition, the Borough President announces its availability on his monthly News 12 "Ask The Borough President" cable TV show and at our Borough Board/ Borough Service Cabinet meetings, which are televised live by BronxNET.

Word of mouth is an important tool for recruiting community board members. Members of the Borough Presidents staff, who interact with residents and community leaders throughout the borough, encourage them to consider applying for community board membership.

Each applicant is scheduled for an interview with a member of the Community Boards Unit.

The Deputy Borough President meets with each member of the Bronx City Council Delegation to review the members who they recommend for appointment. They review both members up for reappointment and those to be considered for a new appointment.

The Borough President reviews each application and is provided with demographic information on the applicants, as well as, the existing demographics on each of the community boards. In addition, a map with all of the existing community board members is provided to assure that all neighborhoods are represented on the community board. The Borough President also reviews the interests and professional occupations of potential members to assure that each community board has a wide variety of members with expertise in all fields. The Borough President reviews the attendance records and performance for each of the members being considered for reappointment.

The Borough President's office accepts applications year round and as vacancies occur, we attempt to fill those seats in cooperation with the members of the New York City Council, when necessary.
