Borough President Vanessa L. Gibson's Application and Appointment Process for Community Board Members

The Bronx Borough President's Office begins the community board application process by making the applications available in the Fall of each year. The application is available on the Borough President's website, and is emailed to all of the Bronx Community Boards and elected officials. Each Unit Director is sent the information and sends it to their respective contact lists. Our Communications Department sends a press release to all of the Borough's local newspapers, which includes a number of ethnic newspapers and also places the information on all of the Borough President's social media accounts.

In addition, our office emails a flier with the information on how to obtain an application to all current community board members, and uses our offices email lists to send out the information to Bronx residents, CBO's, religious, veterans, immigrant organizations and other interested parties. We include the information in the Borough President's email newsletter, monthly community board report and our community liaisons make announcements a community meetings throughout the borough. We also make fliers available for posting throughout the borough.

The Borough President will also make a public announcement on its availability on News 12's monthly "Ask The Borough President" and at our Borough Board/ Borough Service Cabinet meetings, which are televised live on BronxNET television.

Word of mouth is an important tool for recruiting community board members. Members of the Borough Presidents staff, who interact with residents and community leaders throughout the borough, encourage them to consider applying for community board membership.

Each applicant is scheduled for an interview with a member of the Community Boards Unit.

The Deputy Borough President meets with each member of the Bronx City Council Delegation to review the members who they recommend for appointment. They review both members up for reappointment and those to be considered for a new appointment.

The Borough President reviews each application and is provided with demographic information on the applicants, as well as, the existing demographics on each of the community boards. In addition, maps with residences of the existing community board members are provided to assure that all neighborhoods are represented. The Borough President also reviews the interests and professional occupations of potential members to assure that each community board has a wide variety of members with expertise in all fields. The Borough President reviews the attendance records and performances of each of the members being considered for reappointment.

The Borough President's office accepts applications year round and as vacancies occur, we attempt to fill those seats in cooperation with the members of the New York City Council, when necessary.
